

DRIVING FOR DISTANCE

Program Overview & Registration Form

Program Overview

This 2.5 hour clinic is designed to make you a longer off the tee. It focuses on the driver and will include long irons. This clinic will cover fundamentals, ball flight laws, importance of pre-shot routine, impact drills, and kinematic sequence training designed to make you longer.

The focus is on more distance! After this clinic you will understand: how to create more speed, your ideal launch angle and spin rate for distance, and how to increase your smash factor.

A portion of this clinic will be spent on **TRACKMAN** to optimize your distance!
