CODE OF CONDUCT

The majority of the golfing experience happens on the golf course or practice facility, involving athletes and coaches. Because of this, we cannot ask parents to maintain a constant watch to ensure proper behavior from their children. As an organization with abiding responsibilities for the growth, development, safety and competitive success of dozens of young athletes, The Pure Impact Golf Academy has created a Code of Conduct. Our Code of Conduct applies to everyone associated with The Academy including golfers, coaches, parents, golf clubs, and volunteers. The Academy strives to ensure a safe environment for its members and endeavors to foster healthy relationships among its golfers. For these reasons, The Academy has adopted a zero-tolerance policy.

Discipline

While some behavior is much more unacceptable than others, any breach of a rule may result in some form of disciplinary action up to and including a temporary suspension or dismissal from the Academy (with no pro-rated or refund of lost time). Occasionally a coach must discipline an athlete. Depending on the nature of the problem, the coach may speak privately to the individual or to the parents.

At the discretion of the Head Coach any one or all of the following actions will be applied:

1. Golfer may be sent home immediately from a coaching session or tournament at his / her own expense and if there is extra expense it will be golfer's responsibility.
2. The golfer may be suspended from the program until the golfer and parents have had a conference with the Head Coach and appropriate disciplinary actions have been implemented.
